Explanatory Statement

This Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the Company's Annual General Meeting.

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the Resolutions in the accompanying Notice.

This Explanatory Statement should be read in conjunction with the Notice. Capitalised terms used in this Notice and Explanatory Statement are defined in the Glossary.

1. Proxies

Please note that:

- (a) a Shareholder entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy;
- (b) a proxy need not be a member of the Company;
- (c) a Shareholder may appoint a body corporate or an individual as its proxy;
- (d) a body corporate appointed as a Shareholder's proxy may appoint an individual as its representative to exercise any of the powers that the body may exercise as the Shareholder's proxy; and
- (e) Shareholders entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms. If a Shareholder appoints a body corporate as its proxy and the body corporate wishes to appoint an individual as its representative, the body corporate should provide that person with a certificate or letter executed in accordance with the Corporations Act authorising him or her to act as that company's representative. The authority may be sent to the Company or its share registry in advance of the Annual General Meeting or handed in at the Annual General Meeting when registering as a corporate representative.

Members of Key Management Personnel and their Closely Related Parties will not be able to vote as proxy on Resolution 1 unless the Shareholder directs them how to vote or, in the case of the Chairman, unless the Shareholder expressly authorises him to do so. If a Shareholder intends to appoint a member of Key Management Personnel or their Closely Related Parties (other than the Chairman) as its proxy, the Shareholder should ensure that it directs the proxy how to vote on Resolution 1.

If a Shareholder intends to appoint the Chairman as its proxy on Resolution 1, the Shareholder can direct the Chairman how to vote by marking one of the boxes for Resolution 1 (for example, if the Shareholder wishes to vote 'for', 'against' or to 'abstain' from voting). If a Shareholder does not direct the Chairman how to vote, the Shareholder can expressly authorise the Chairman to vote as the Chairman thinks fit on Resolution 1 by marking the appropriate box on the Proxy Form even though Resolution 1 is connected to the remuneration of members of Key Management Personnel and even if the Chairman has an interest in the outcome of that Resolution.

To vote by proxy, please complete and sign the enclosed Proxy Form and send by:

- (a) post to Flexiroam Limited, c/- Anthony Ho & Associates, PO Box 3438, Nedlands, Western Australia 6009; or
- (b) facsimile to the Company on (08) 6389 2588.

so that it is received by no later than 11.00 a.m. (WST) on Tuesday, 15 August 2017. Proxy Forms received later than this time will be invalid.

2. Voting entitlements

In accordance with Regulations 7.11.37 and 7.11.38 of the *Corporations Regulations 2001* (Cth), the Board has determined that a person's entitlement to vote at the Annual General Meeting will be the entitlement of that person set out in the register of Shareholders as at 11.00 a.m. (WST) on Tuesday, 15 August 2017. Accordingly, transactions registered after that time will be disregarded in determining Shareholders' entitlements to attend and vote at the Annual General Meeting.

3. Item 1 – Financial Statements and Reports

Under the Corporations Act, the Directors of the Company must table the financial report, the Directors' report and the Auditor's report for Flexiroam Limited for the financial year ended 31 March 2017 at the Annual General Meeting. These reports are set out in the Annual Report.

There is no requirement either in the Corporations Act or the Company's Constitution for Shareholders to vote on, approve or adopt these reports. Shareholders will have a reasonable opportunity at the meeting to ask questions about or make comments on these reports and on the management of the Company.

The auditor of the Company is required to attend the Annual General Meeting and will be available to take Shareholders' questions about the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

In addition to taking questions at the Annual General Meeting, written questions to the Chairman about the management of the Company, or to the Company's auditor about the content of the Auditor's report or the conduct of the audit, may be submitted no later than 5 business days before the date of the Annual General Meeting to the Company Secretary at Flexiroam Limited, c/- Anthony Ho & Associates, PO Box 3438, Nedlands, Western Australia 6009, or by facsimile to (08) 6389 2588.

The Company's Annual Report is available on the Company's website at <http://investor.flexiroam.com>.

4. Resolution 1 – Adoption of Remuneration Report

The Remuneration Report of the Company for the financial year ended 31 March 2017 is included in the Directors' Report in the Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

Section 249L(2) of the Corporations Act requires a company to inform shareholders that a resolution on the Remuneration Report will be put at the Annual General Meeting. Section 250R(2) of the Corporations Act requires a resolution that the Remuneration Report to be adopted must be put to the vote. Resolution 1 seeks this approval.

In accordance with section 250R(3) of the Corporations Act, Shareholders should note that Resolution 1 is an "advisory only" resolution which does not bind the Directors. Under section 250SA of the Corporations Act, the Chairman will provide a reasonable opportunity for discussion of the Remuneration Report at the Annual General Meeting.

If at least 25% of the votes on Resolution 1 are voted against the adoption of the Remuneration Report at the Annual General Meeting, and then again at the Company's 2018 annual general meeting, the Company will be required to put to Shareholders a resolution

proposing the calling of an extraordinary general meeting (**Spill Meeting**) to consider the appointment of the Directors (**Spill Resolution**).

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the Spill Meeting within 90 days of the Company's 2018 annual general meeting. All of the Directors who are in office when the Company's 2018 Directors' Report is approved, other than the Managing Director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting those persons whose election or re-election as Directors is approved will be the directors of the Company.

At the 2016 annual general meeting, all of the votes cast, of those shareholders who exercised their right to vote, were in favour of the remuneration report for the 2016 financial period.

5. Resolution 2 – Re-election of Mr Paul Khong as a Director

In accordance with clause 11.3 of the Constitution, at every annual general meeting, one third of the Directors for the time being must retire from office by rotation and are eligible for re-election. The Directors to retire are those who have been in office for 3 years since their appointment or last re-appointment or who have been longest in office since their appointment or last re-appointment or, if the Directors have been in office for an equal length of time, by agreement.

Mr Paul Khong retires by rotation at this Annual General Meeting and, being eligible, offers himself for re-election.

The Directors (excluding Mr Khong) recommend that Shareholders vote in favour of Resolution 2. Resolution 2 is an ordinary resolution.

Mr Paul Khong

Mr Khong has over 20 years of experience in the corporate financial and education sectors. He headed a boutique investment company in San Francisco and later relocated to New York to take up the position as the Vice President of Marketing of IFS (New York) Inc. Mr Khong currently lectures at a training institute in Perth, Western Australia delivering Leadership and Management courses.

6. Resolution 3 – Re-election of Ms Cheryl Yeoh as a Director

In accordance with clause 11.11 of the Constitution, any Director appointed to fill a casual vacancy or as an addition to the Board must retire from office at, and will be eligible for re-election at, the next annual general meeting following their appointment, but that Director will not be taken into account in determining the number of Directors who are to retire by rotation.

The Directors (excluding Ms Yeoh) recommend that Shareholders vote in favour of Resolution 3. Resolution 3 is an ordinary resolution.

Ms Cheryl Yeoh

Ms Yeoh holds a Bachelor of Science in Operations Research and Industrial Engineering and a Masters of Engineering in Engineering Management. She was the founding CEO of Malaysian Global Innovation & Creative Centre (MaGIC). She also co-founded Reclip.It and CityPockets Inc and served as the Acting CMO of Hack Reactor. She currently runs her own advisory and consulting services company, Cheryl Yeoh & Co.

7. Resolution 4 – Re-election of Mr Fong Wai Hong as a Director

In accordance with clause 11.11 of the Constitution, any Director appointed to fill a casual vacancy or as an addition to the Board must retire from office at, and will be eligible for re-election at, the next annual general meeting following their appointment, but that Director will not be taken into account in determining the number of Directors who are to retire by rotation.

The Directors (excluding Mr Fong) recommend that Shareholders vote in favour of Resolution 4. Resolution 4 is an ordinary resolution.

Mr Fong Wai Hong

Mr Fong is a serial tech entrepreneur and was named Australia's Best Young Entrepreneur in 2011 by StartupSmart. He was also amongst Melbourne's top 100 most influential people as published by The Age Newspaper that same year. Immediately after completing his BA at the University of Melbourne, he cofounded and was the Managing Director at OzHut, a multi niche online retailer for 5 years. He is also the co-founder of StoreHub, a Cloud Based Store Management System for SMEs. Storehub was a finalist in Alliancebank Bizsmart Academy SME Innovation Challenge (2014).

8. Resolution 5 – Appointment of Auditor

HLB Mann Judd has audited the Company for a number of years. However, the Company is keen to appoint a larger audit firm as it consolidates its commercialisation strategy and expands its operations globally. In addition, the Company continues to try to achieve cost savings in its corporate administration expenses, which a new appointment will realise. Consequently, it has been agreed for HLB Mann Judd to retire as auditor of the Company and for BDO Audit (WA) Pty Ltd ("BDO") to be appointed. HLB Mann Judd is in the process of seeking consent from ASIC to resign as auditor of the Company.

Once consent has been obtained from ASIC, HLB Mann Judd will give its notice of resignation to the Company with effect from the close of the 2017 Annual General Meeting.

The Corporations Act 2001 (Cth) requires that Shareholders approve the appointment of a new auditor.

Nomination of BDO

BDO was nominated by Reapfield Technology Sdn Bhd. The notice of nomination of BDO as auditor of the Company is included as an Appendix to this Notice of Annual General Meeting.

BDO has consented to act as auditor of the Company.

The Directors recommend that Shareholders vote in favour of Resolution 5. Resolution 5 is an ordinary resolution.

9. Resolution 6 – Approval of 10% Placement Facility

9.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities totaling up to 10% of its issued share capital through placements over a 12 month period after the entity's annual general meeting ("**10% Placement Facility**"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An “eligible entity” for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 9.2(c) below).

The Board believes that Resolution 6 is in the best interests of the Company and recommends that Shareholders vote in favour of this Resolution.

9.2 Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a **special resolution** at an annual general meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

As at the date of this Notice, the Company has one quoted class of Equity Securities, being its ordinary fully paid shares, of which there are 193,689,501 Shares on issue.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue 12 months before the date of issue or agreement:

- (A) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- (B) plus the number of partly paid shares that became fully paid in the 12 months;
- (C) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- (D) less the number of fully paid shares cancelled in the 12 months.

Note that “A” has the same meaning as in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rules 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 9.2(c) above).

(e) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; and
- (ii) the date of the approval by shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX (“**10% Placement Period**”).

9.3 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

- (b) If Resolution 6 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable A in Listing Rule 7.1A.2		Dilution		
		\$0.04 50% decrease in Market Price	\$0.08 Current Market Price	\$0.12 50% increase in Market Price
Current Variable A 193,689,501	10% Voting Dilution	19,368,950 Shares	19,368,950 Shares	19,368,950 Shares
	Funds raised	\$775,758	\$1,549,516	\$2,324,274
50% increase in current Variable A 290,534,252	10% Voting Dilution	29,053,425 Shares	29,053,425 Shares	29,053,425 Shares
	Funds raised	\$1,162,137	\$2,324,274	\$3,486,411
100% increase in current Variable A 387,379,002	10% Voting Dilution	38,737,900 Shares	38,737,900 Shares	38,737,900 Shares
	Funds raised	\$1,549,516	\$3,099,032	\$4,648,548

The table has been prepared on the following assumptions:

1. The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
2. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

3. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
 4. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 5. The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
 6. The current market price used is \$0.08, based on the closing price as at 10 July 2017.
- (c) The Company will only issue the Equity Securities during the 10% Placement Period. The approval under Resolution 6 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).
- (d) The Company may seek to issue the Equity Securities for the following purposes:
- (i) non-cash consideration for the acquisition of new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
 - (ii) cash consideration. In such circumstances, the Company may use the funds raised towards its existing projects (e.g. sales and marketing) and/or for the acquisition of new assets or investments (including expenses associated with such acquisitions) and general working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.

- (e) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the persons to whom the Equity Securities will be issued will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
- (i) the purpose of the issue;
 - (ii) the methods of raising funds that are available to the Company including, but not limited to, an entitlements issue or other issue in which existing security holders can participate;
 - (iii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iv) the financial situation and solvency of the Company;
 - (v) prevailing market conditions; and
 - (vi) advice from corporate, financial and broking advisers (if applicable).

The Company notes that:

- (i) any funds raised from the issue of Equity Securities under the 10% Placement Facility are likely to be applied to product development and on marketing and branding of new product launches;

- (ii) prior to undertaking any fundraising, the Board will have regard to whether it is in the Company's best interest to structure such a fundraising as an entitlements issue to all of the Company's existing Shareholders at that time.

The persons issued securities under the 10% Placement Facility have not been determined as at the date of this Notice of Annual General Meeting but are likely to be investors which are sophisticated and/or professional investors for the purposes of section 708 of the Corporations Act. No Equity Securities will be issued under Listing Rule 7.1A to related parties of the Company.

If the Company is successful in acquiring new assets or investments, it is likely that the persons issued securities under the 10% Placement Facility will be the vendors of the new assets or investments.

- (f) The Company previously obtained Shareholder approval under Listing Rule 7.1A at the 2016 annual general meeting held on 29 August 2016 (**Previous Approval**). However, no securities have been issued pursuant to the Previous Approval.
- (g) In accordance with Listing Rule 7.3A.6, during the 12 month period preceding the date of the Annual General Meeting, the Company did not issue any Shares.
- (h) A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

HOW TO COMPLETE THE PROXY FORM

1. Appointment of a Proxy

You are entitled to appoint no more than two proxies to attend and vote on a poll on your behalf. The appointment of a second proxy must be done on a separate copy of the Proxy Form. Where more than one proxy is appointed, such proxy must be allocated a proportion of your voting rights. If you appoint two proxies and the appointment does not specify this proportion, each proxy may exercise half of your votes.

If you wish to appoint the Chairman of the Meeting as your proxy, please mark the box. If the person you wish to appoint as your proxy is someone other than the Chairman of the Meeting, please write the name of that person. If you leave this section blank, or your named proxy does not attend the meeting, the Chairman of the Meeting will be your proxy. A proxy need not be a securityholder of the Company.

If you have appointed a company as your proxy and a representative of that company wishes to attend the meeting, the representative will be required to provide the Company with the appropriate written documentation evidencing that the person is a representative of the proxy. Should you require it, the Company will provide you with a corporate representative form free of charge. Please contact the Company Secretary if you require a corporate representative form.

2. Voting on Items of Business

You may direct your proxy how to vote by placing a mark in one of the three boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of securities you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

3. Appointment of a Second Proxy

You are entitled to appoint up to two persons as proxies to attend the meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Company Secretary or you may copy this form.

To appoint a second proxy you must state on each of the first Proxy Form and the second Proxy Form the percentage of your voting rights or number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded. Please return both forms together in the same envelope.

4. Signing Instructions

You must sign this form as follows in the spaces provided:

Individual: where the holding is in one name, the holder must sign.

Joint Holding: where the holding is in more than one name, all of the securityholders should sign.
