About FLEXIROAM

FLEXIROAM is a Malaysian-based telecommunications company offering services internationally. The Company provides a range of products allowing customers to remain connected abroad without attracting significant connection fees or tariffs.

Its core products include the FLEXIROAM Roaming Pass and the FLEXIROAM SIM cards, which allow travellers to use their local numbers with unrestricted voice and data access at their destination of choice. To date, over 300,000 people from all over the world have already benefited from combined savings totalling more than A\$23 million.
