Flexiroam Limited (ASX: FRX) (**Company**) hereby provides notice pursuant to Listing Rule 3.10A that 2,276,400 ordinary fully paid shares in the Company are due to be released from voluntary escrow on 13 February 2018.

Yours faithfully,

**Kim Hogg**  
*Company Secretary*

**ABOUT FLEXIROAM LIMITED**

Flexiroam is the fastest growing budget data roaming provider in Asia Pacific, offering borderless data in 120 countries for as low as US\$1.00. The ultra thin microchip technology attaches to a user's existing SIM which provides easy and secure data access. The mobile application allows easy management of data utility, data top up and making outgoing calls. Flexiroam is connected to 580+ network providers globally and works with over 100 travel industry partners to serve customers from over 40 countries. Flexiroam Limited (ASX:FRX) was listed on the Australian Securities Exchange (ASX) in 2015 and aspires to be a household name in borderless mobile broadband services in Asia and beyond.
