ABOUT FLEXIROAM

Founded in 2011 by Jeffrey Ong, Flexiroam Limited (ASX:FRX) started with a mission to push the boundaries of communications. What began as a solution for travelers needing seamless mobile data at competitive rates, has evolved beyond the consumer travel market.

Flexiroam provides connectivity across any device, in any part of the world for any application. The Company is a superconnector for people and machines globally. Flexiroam's versatile network now spans across 520 network operators in over 200 countries and territories, making it the preferred service for consumers and businesses worldwide.
